

Name: _____

Date: _____

Adapt Speech to a Variety of Contexts and Tasks

1. When giving an oral report about a book you just read, would you use formal English or informal English during your presentation to your peers? Give an example of how you would write a formal statement about your opinion of this book versus how you would describe it to a friend after school.

Formal _____

Informal _____

2. Write a formal statement to the cafeteria staff requesting different types of food. Then write an informal statement to your mom about the lunches she packs for you.

Formal _____

Informal _____
